

RAPIDPRESS

AON APPROVAL

Rapidpress is proud to announce it has received AON approval under the Sprinkler Certification program. This recognition highlights our commitment to meeting the highest standards of safety and compliance in the metal manufacturing industry. With AON's endorsement, customers can trust Rapidpress to deliver reliable, certified solutions that meet stringent fire protection requirements.

This is to confirm that, on the basis of the information supplied in the application for listing of the equipment received 19 July 2024, this organisation, as the nominated Sprinkler System Certifier considers that the appropriate requirements of NZS 4541:2020 and NZS4515:2009 have been adequately met with respect to the item described below, for use under the conditions set out on this certificate.

Item: RapidPress System - Model 22mm-108mm Stainless Range

Use: For use as Press Fit pipe system

Certificate Number M147
